

Film and Video workshops: 7-11s

Understanding film and television is a useful way to explain the world around us. It's exciting and requires teamwork, confidence and focus to succeed.

We'll show you how to get great video from simple exercises and up-to-date technology.

Skills

Your students will learn skills in:-

- ✓ Research & fact checking
- ✓ The different roles in making a film
- ✓ Script writing, written to be spoken language.
- ✓ Shooting video on a handheld camera
- ✓ Interviewing techniques
- ✓ Presenting to camera

Making Movies Workshop

Learn basic camera operation, on-location productions and editing with our skilled tutors. Children create short videos that can be placed on your school's website.

Make a Film in Three Days

Students write, direct and act in their very own film, which is then edited and ready for your premiere screening the next morning!

A great end-of-term activity – stories can be adapted from class work or created on day one.

After School Video Club

Discover how television is made in these weekly lessons, ranging from documentary to drama – recreate scenes from your favourite films and shoot a music video.

All leading up to an original screening at the end of the term that parents can take away on DVD and available on your website.

Learning

- ✓ Ignite tailors each course to suit your specific learning objectives
- ✓ Courses can be delivered on the school premises or at a local studio
- ✓ Courses can be tailored as short or long courses - from 1 day to a term

Ignite Creative TV is a creative content production company making web, mobile, video and radio material. Our clients include music and entertainment companies, youth platforms, broadcast networks and educational and government websites.

We also run courses in radio production & presenting, video production & editing and music production. Our courses are customised for specific groups depending on age group, ability and the specific objectives of the group.
